Subject: ESA info for today's assumption briefing
Attachments: draft ESA timeline for FL assumption.docx

Jeaneanne – As a follow-up to our discussion yesterday....

- Please see the email from Alexis below regarding the discussion she and Simma had with David F. and Steve N. in February regarding the need for **Ex. 5 AC/DP** I also sent the attorneys an email about this matter yesterday afternoon and will let you know of any other substantive information.
- Attached is a revised timeline from the version you saw yesterday that removes the emphasis of the 404(g) rule. The Team is still reviewing, and if there are any substantive changes we'll share those with you.
- I spoke with Mindy yesterday, and she was completely comfortable with the planned approach to talk from this document instead of sharing it as part of the briefing materials. She suggested that if needed we could share it after the briefing.

Please let us know if you have questions or wish to discuss.

David Fotouhi seemed to agree that Ex. 5 AC/DP He seemed to indicate we could convey that to FL if we were all on board. Right, Alexis?
